

How to obtain your 2012 ACU Licence

So that members can obtain their 2012 licence on line, the ACU have changed the way to apply

You may have already received your ACU application / renewal form but you will need a **Unique Club Membership Code Number** from your club membership secretary before applying on line or by hard copy

Step 1

Apply to your club for renewal of membership in the normal way and paying your membership fee

Step 2

When that is approved and your membership card is returned you will receive a **“Unique Club membership Code Number”**
One code number will be issued to each member who requires an ACU Licence

Step3

A) If you are using the blue ACU application / renewal form you have received in the post you may complete it in the normal way, but, at the end of the form you **must enter your Unique Club Membership Code Number**

This acts as your club secretary's signature and there is NO need to post your form to your secretary for signing

B) If you want to apply On Line follow the link on the **'Press Release'** that came with your ACU form (<https://members.acu.org.uk>)

If this is your first time, go to the **Members Registration box**, and click **Register Now**. You will be asked for the unique number during the short process
