

Done & Dusted

That's it, the end, its over, finito, finished, completed, done. 2010 has been a brilliant season and has been, I hope as enjoyable for you, as it has for the committee. We are pleased but not surprised that the club has grown this year whilst so many clubs across the country have struggled to even run meetings that people want to attend. This is a huge credit to our members and the organisation of the club.

Daventry was a brilliant track and the surface of the circuit made for some brilliant racing in all groups with multiple line choices all over the hill. Massive thanks must go to the members of the committee (you know who you are) who gave their own time, to get their early and set it up so brilliantly. Thanks must also go again to D&G short for sponsoring the meeting.

Trophies

Handing out trophies down to 12th place appeared to be popular and thanks to those of you who waited around to receive them. By our own admission, we might need a little more practice and handing them out if we have this many again, and I might need a bulk order of throat sweets!
