

2010

Lets go!

The clock is ticking until gate drop on Sunday morning and if the weather forecasters are to be believed the track should be in tip top condition.

Due to sound issues the owner has told us we have got to done and dusted by 4pm so we are going to need to crack on and we want to have the first practice away from the gate by 9.45am, so we need you all booked in and signed on by 9.15am. (please don't be late!!!)

With the timings as a bit tight we are going to run the races as follows.

Under/overs/125	10 min + 1 lap
BW/SW	9 min + 1 lap
Juniors	8 min + lap
Auto	6 min + lap.

Prizes

We are very lucky this year in having some fabulous championship sponsors for the season (see the sponsor's page on the website). Each group is being sponsored to the tune of £500 and will give you all the added incentive of trying for those championship positions and winning some first class MX goodies. Thanks to all those who have supported us this year with this.

Auto & Junior challenge

We are also running mini championships for both the Autos & Juniors, the series will run over 5 rounds with 4 to count. The meetings will be **Round 1 Wroxton, Round 2 Mildenhall, Round 3 – Arccott, Round 4 Pontrillas, Round 5 Mallory**. This we hope will give our smallest riders the opportunity to win 2 lots of seasons silverware and we hope make for some exciting action.

See you all on Sunday!
