

All present and correct!

Right that's pretty much it for 2010, the presentation was in keeping with the rest of the season a huge success. It was good to see so many of you there to collect your hard earned trophies and thanks should go to our sponsors for the year for their massive generosity, without these guys we would no doubt not be in the excellent position we are for 2011.

Our special thanks should again go to all the committee who have worked hard in sorting out the evening and making it the night it was. Special mentions must go to the girls, Lorn, Lyn and Annie who have been planning the night since before the gate dropped on the least race of the year. THANK YOU.

AGM

The AGM is scheduled for November 25th at Dunstable Rugby club. Its your club and you pay to be members, why not come along and tell us what we have done well, what has not gone quite so well and what you would like to see for 2011.

Hot Dates

The morning after the presentation, Dean attended the ACU dates meeting (rather him than me!) and series dates are now sorted for 2011. As in 2010 we work along with the clubs in the centre who attend the meeting to prevent date clashes.

We always endeavour not to conflict with any other clubs, as this is in the interests of both the sport and our members, who want to do multiple championships. We have again ensured that we don't clash any dates with either Luton & District or the Elite Youth Cup. It's a shame that all clubs don't share this philosophy.

We are now back in contact with the track owners and booking up for 2011.
