

Big News

Hi All, we have been busy!

With the season now looming large, the committee are flat out with the plans for the first meeting of the year!

Due to a mix up between the organisers at Mepal (not us!) we are not going to be starting our year off at Mepal. We are instead going to be heading to Mildenhall on the 14th of March. This we feel is a suitable replacement venue for our season debut and may even suit some of you better than the sand of Mepal.

Before the 14th you need to send off your KSMXC membership and ACU licences. If you bowl up on the 14th without your ACU licence you will need to buy a day licence which will cost you another £10 (and you will still have to send off for your licence anyway, and don't say we didn't tell you!

On the join page on this site, you will find the SMS sign up link, get yourself on it, and register your details for up to date SMS notification of all things KSMXC (including race day information!).

The sponsors for the season are nearly all sorted, and the big news is that all the youth classes are now sponsored, with each sponsor putting the hands in their pocket and supplying prizes for the end of the championship. Massive thanks to each and every one of them.

Things are going to kick off soon! So keep your eyes on the site as the news will come thick and fast over the next weeks.

Yours in sport
KSMXC
